

South County Concert Association

We invite you to join South County Concert Association for our 40th season. We are a non-profit organization that brings a variety of nationally recognized professional performers to our stage.

Join your friends and neighbors at these wonderful musical evenings and become part of this cultural tradition. All performances are held in the Southern High School auditorium and are scheduled from September through May. In addition to the SCCA performances, you can also attend all the Anne Arundel Community Concert Association performances in Severna Park.

Because our organization is **entirely supported by volunteers** we can continue to present quality attractions at very affordable prices.
